RE: HEARING APPLICATION
HOSS SUAA and HOSS SUHH
Logansport Field
DeSoto Parish, Louisiana
Our File No. 230593.0009

Dear Sir:

On behalf of COMSTOCK OIL & GAS-LOUISIANA, INC., application is hereby made for a public hearing to receive evidence concerning the issuance of an order pertaining to the following matters relating to the Hosston Zone in the Logansport Field, DeSoto Parish, Louisiana:

1. To permit the applicant to drill, designate and utilize the Comstock Oil & Gas-Louisiana, Inc. - Norwood No. 3-Alt. Well, at the location shown on the plat attached hereto, and to designate said well as an alternate unit well for HOSS SUAA, in exception to the well spacing provisions of Office of Conservation Order No. 28-S-4, effective July 22, 1981.
2. To permit the applicant to drill, designate and utilize the Comstock Oil & Gas-Louisiana, Inc. - A.D. Cobb Sr., et al #4-Alt. Well, located as shown on the plat attached hereto, and to designate said well as an alternate unit well for HOSS SUHH.
3. To explicitly find that the proposed alternate unit wells are necessary to drain a portion of the Hosston Zone in the Logansport Field underlying HOSS SUAA and HOSS SUHH, respectively, which cannot be efficiently and economically drained by any existing well in such units.
4. To consider such other matters as may be appropriate and justified by the evidence presented at the hearing.
